

CHICAGO/MILWAUKEE – Who'd have figured? Door County is a peninsula jutting out into Lake Michigan from Green Bay, as in Green Bay Packers. There are no national chain supermarkets, motels, retail outlets or anything else of a huge nature on the peninsula. All small town, quaint, mom and pop, independent everything, forested, surrounded by water and beautiful golf courses. door county.com will help with more than golf.

TOWN	COURSE	HOLES	YEAR FOUNDED
