

DENVER – The western slope of the Rockies, both north and south of Interstate 70 have plenty of golf to offer. There are too many other great golfing destinations to mention. I’m pretty sure it’s the spectacular scenery that makes the ball go far and not the elevation, but I have been known to be wrong on occasion. I remember once back in third grade! But I digress!

TOWN	COURSE	HOLES	YEAR FOUNDED
1 Carbondale	River Valley	18	1970
